

TECHNICAL BULLETIN:

Loadmaster® Rackmount Case: Center Grip Handle

PART NUMBER: 31907002

Assembly Includes: Handle (one each). Screws (two each).
Product(s) Affected: All ECS Product.

DETAILS:

Center Grip Handle works in conjunction with edge casters to provide tottable case configuration. Handle provides superior chemical and corrosion resistance. Handle assembly is field replaceable with simple, Phillips screwdriver. Handle grip material is high-strength Acetal Copolymer plastic, modified with a UV inhibitor to withstand severe ultraviolet exposure from sun. Base plate material is high-impact strength Makroblend (mixture of polycarbonate and polyethylene terephthalate). Molded features of handle include ergonomic grip geometry, matte surface texture, ECS logo with cage code information, and handle retention tabs. Handles were load tested at temperature extremes (-65F to +185F) and withstood loads 100+ lbs without degradation or loss of functionality.

LIMITATIONS:

3U (Incompatible)

TECHNICAL

- Size: 14.71" wide x 4.10" tall x 0.75" deep.
- Weight: 0.648 lbs.
- Material: Handle Grip: UV modified Black Copolymer Acetal. Baseplate: Makroblend PC/PET blend. Spring and Mounting Screws: Stainless Steel.
- Finish: Black Plastic with Matte surface texture. Black Oxide Mounting Screws.
