

TECHNICAL BULLETIN:

Loadmaster® Rackmount Case: Foot, Half Moon

PART NUMBER: 32000268

Product(s) Affected: Various

DETAILS:

Due to previous quality issues, ECS discontinued use of part number 32000268. ECS has worked directly with a manufacturer to improve the tooling and introduce a higher grade of material to produce a more robust part. Based on internal testing, results of modified tooling and upgraded material have proven successful. Parts are now qualified for use on all new and/or existing applications. All existing designs incorporating the use of an alternate/replacement foot will be evaluated by Product Management upon reorder. Product Management will not make any permanent changes to existing designs without prior approval from Sales Department.
